What do the Friends of the Stephenville Public Library (SPL) do with the money that members contribute in the form of dues?

1. Supported the Erath County Youth Writer's Contest with monetary awards.
2. Volunteered 1600+ hours in staff-freeing activities including children's story hour.
3. Donated funds received for performing genealogy research to the building fund.
4. Raised funds through the Annual Book Sale in October and the Annual Arts and Crafts Show in November.

The Friends of the SPL need your support for the 2010-2011 membership year. Please give us your support so we can work together to make our library better.
